ST. SAVA SERBIAN ORTHODOX CHURCH
MCKEESPORT ~ DUQUESNE

For over a century, our St. Sava parish has served the needs of Orthodox Christian families in the communities of McKeesport and Duquesne and surrounding areas. Through the leadership of the late Very Reverend Dr. +Milan Popovich, the building committee and the parish council, our present Church was built in the early 1950's – combining classic and contemporary design.

Over the years, the forces of gravity, heat, cold and moisture took their toll on the original Blenko leaded glass windows. After attempts were made to repair them in the 1990's, it was determined the windows had deteriorated to the point where restoration was not possible.

Our new stained glass windows are being crafted under the care of Conrad Schmitt Studios, Inc., a nationally respected ecclesiastical art studio with vast experience in Orthodox iconographic design.

The primary goal of the parish council in designing the new windows was to preserve the most popular of Serbian Orthodox traditions – the celebration of the patronal feast day or Slava. In Serbian, Slava means 'Glory-giving'. Each year, families honor the Saint who has been their patron, or spiritual protector, for centuries – ever since the family's original conversion to Orthodox Christianity. Celebrating the patronal feast creates a deep spiritual bond within the family, bringing everyone together to give glory and thanks to God, our Creator and Savior.

With gratitude for previous support given to sustain and renovate our wonderful Church, we now humbly ask our parish family and Church friends for help in preserving our rich legacy.

Donations offered in thanksgiving or in memoriam are being welcomed at this time towards the design, fabrication and installation of our new stained glass windows. Gifts to the project can be made in a single payment or can be spread out over several months.

To honor this glory giving tradition, our window committee has selected some of the common Slavass celebrated among our families. We have also chosen to honor saints of the Serbian Orthodox Church – pillars of our Holy Orthodox Faith and rich Serbian tradition.
