“Growing With Christ In The Twenty-First Century!”

June 17th, 2020

Dear St. Sava Family:

“Christ IS in our midst!” It is our hope and prayer that our letter finds you doing well and successfully managing this Co-vid-19 existence. We know that the past months have not been easy for anyone, and we understand that getting back to “normal” is our common desire!

Despite the difficulties this outbreak has caused, there are definite “blessings” that we have realized as a result of it: our **Live-streaming** of Church services has been wonderfully received, and we have reached thousands of people over the past three months, from far-away countries as well; our **‘Good Samaritan’ Ministry** is still active, (and those who are in need should contact Joyce Yovetich); the **Weekly Podcasts** done by Fr. Stevo have been both enlightening and uplifting; and the **BREEZE Technology** now in place has helped us communicate better with each other, and sustain us through on-line giving.

However, the best news is that with the ‘Green Phase’ now in effect, we invite you back to Church – to come and, once again, pray with us and praise God with us! Under the guidance and direction of Proto Stevo and Protinica JoAnn, and their helpers, the Church Interior is beautifully set up to meet social-distancing guidelines. The enclosed New Guidelines detail just what you can expect as you make your plans to reunite with us in Church! We hope that you will take the time to review them carefully, and to make your plans to join us once again in our beautiful St. Sava Church.

Finally, if there is anything you may need or desire to have answered, please do not hesitate to call Fr. Stevo or any Parish Council member! We look forward to seeing you in Church,

Proto Stevo Rocknage and Your
St. Sava Parish Council
